ON RESTRICTED PROPERTY RIGHTS OF PLURALITY OF AUTHORIZED PERSONS

Keywords: subjective civil-law rights with plurality of persons, subjective common civil-law rights, restricted property rights, plurality of persons

Are restricted property rights of plurality of persons the only legal form of existing relations with a number of people disposing of property of another person? What principles could there be constituting the essence of the notion "restricted common property right"? How this notion would relate to the plurality concept in modern Russian law? The author comes to the conclusion that there is lack of adequate legal regulation of the relations in question in current laws.
