Draft of Uniform Sales Law of Rome Institute of League of Nations: draft version (foreword and Russian version)

Keywords: Contract of international sale of goods; international unification of laws

Readers have a great opportunity to study the Russian version of the first draft of the Uniform Sales Law developed in 1935 by the International Institute for the Unification of Private Law headquartered in Rome (currently UNIDROIT). The first draft gave rise to Uniform Law on the International Sale of Goods (the Hague, July 1, 1964) and subsequently to the larger document of the UN Convention on Contracts for the International Sale of Goods (UNCITRAL) — the famous Vienna Convention. The first draft of Uniform Law on Sale of Goods has had a long history and a significant impact, and its translation into Russian language has been a long-awaited event.
