### **ALLAKHVERDIEV, Arman Khatai ogly**

Postgraduate  
Department of commercial law and legal theory  
Lomonosov Moscow State University Law School

#### **Compliance: is there any light at the end of the tunnel?**

**Keywords:** Compliance; risk-oriented approach; reduction of liability

The author examines the legal definition of compliance through critical analysis of dominant approaches to the interpretation of this concept in the Russian law. Although the regulation of this issue in the Russian legislation is quite straightforward, there are serious arguments against risk-based and others approaches adopted for the purposes of interpretation of this concept.

### **BOGDANOVA, Alexandra Vadimovna**

Postgraduate  
Department of systems of court procedures and criminal law  
National Research University Higher School of Economics

#### **Compensation to crime victims: legal mechanism**

**Keywords:** Criminal procedure; victim of crime; victim; compensation to crime victim; compensation

Current regulation of compensation of harm inflicted to crime victims has a lot of problems: the victim's 'fate' hinges on the course and findings of investigation and the financial standing of the defendant. Based on the analysis of Russian and foreign legislation the author considers the mechanism of compensating harm using budget funds which will ensure quick and effective protection of victim's rights.

### **IVANOV, Andrey Evgenievich**

Postgraduate  
Department of theory of state and law and political science  
Lomonosov Moscow State University Law School

#### **Concept of judicial lawmaking in J. Austin's theory**

**Keywords:** J. Austin; legal positivism; judicial lawmaking; codification; ratio decidendi; application of law

The problem of judicial decision-making takes a special place in the theory of legal positivism. J. Austin accepted judicial 'lawmaking' as highly beneficial. The author focuses on Austin's 'sociological' analysis of judicial lawmaking; it is further argued that Austin's concept is comparable with the views of American legal realism.

### **LIFANOVA, Nadezhda Alexandrovna**

Postgraduate  
Department of civil law  
Lomonosov Moscow State University Law School  
Assistant to notary (Moscow)

#### **Charter capital of limited liability company: problems of inherited stock**

**Keywords:** Share property of spouses; share in charter capital; limited liability company; rights of surviving spouse; compulsory portion

The paper analyzes the problems related to inheriting stock in charter capital of a limited liability company. Invoking the norms of the applicable Russian legislation the author discusses various options for inheritance planning including transfer of stock in the charter capital of a limited liability company.

### **LYUTOVA, Olga Igorevna**

Candidate of legal sciences  
Lead researcher  
Institute of public and municipal administration  
National Research University Higher School of Economics  
Academic supervisor of postgraduate studies program  
Public, and municipal administration  
National Research University Higher School of Economics

#### **Digital platform as tax and legal phenomenon**

**Keywords:** Digital platform; tax relations; taxpayer; digital services; digital tax; Federal Tax Service of Russia; tax obligations

The concept of a digital platform, actively implemented in tax legislation, significantly transforms the legal status of taxpayers, and also predetermines the emergence of new rights and obligations for the tax authorities. The author explores the phenomenon of the digital platform in the context of tax relations and foregrounds those parts of the Russian legislation on taxes and fees which require improvement in light of 'platformization' of taxation.

### **PENZIN, Matvey Igorevich**

Student  
Lomonosov Moscow State University Law School

#### **Assignment under Russian law: main problems and their solutions**

**Keywords:** Assignment agreement; deed of novation; transfer of right; transaction; notification of debtor; transfer of rights; assignor; assignee

The author considers the legal nature of assignment under Russian law and outlines the main problems of this legal institute. The paper presents a great extent of the concept in question and covers such issues as notification of debtor; allowability of assignment without consideration; allowability of transfer of rights under bilateral (synallagmatic) contract under Russian law, as well as comparison with assignment in English law.

### **PETRAKOVA, Marina Sergeevna**

Postgraduate  
National Research University Higher School of Economics Faculty of Law

#### **Legislation on administrative wrongdoings under third codification: quality criteria**

**Keywords:** Administrative responsibility; stability of law; legitimacy; certainty of legal norms; mechanism of legal regulation

The analysis focuses on the criteria of legitimacy, certainty and stability, specifically, it shows how these criteria are fulfilled in the legal regulation in Russia, Belarus and Kazakhstan. Using the tools of comparative legal analysis, the author outlined the problems of legislation quality and possibilities of improving its quality.

### **TOMSINOV, Vladimir Alekseevich**

Doctor of legal sciences  
Full professor  
Lomonosov Moscow State University Law School

#### **Andrey Yanuarievich Vyshinsky (1883—1954), statesman and legal scholar. Article seventy two**

**Keywords:** USSR; repressions; USSR General Procurator Office; I.V. Stalin; A.Ya. Vyshinsky

The paper continues the series of works devoted to the professional career and academic legacy of A.Ya. Vyshinsky. The author gives a general evaluation of A.Ya. Vyshinsky's work in the second half of 1930s.

### **ZASLAVSKAYA, Nadezhda Mikhaylovna**

Candidate of legal sciences  
Associate professor  
Department of environmental law and land law  
Lomonosov Moscow State University Law School

#### **Ecological law experiments in context of digitalization**

**Keywords:** Public administration in sphere of ecology; experimental legal regime; delineating powers in field of environmental protection

In our time social changes have gone far ahead of legal regulation. Law was not able to embrace the processes of deterioration of the environment and digitalization of society. Such a situation makes room for a legal experiment designed to model a legal construction that is subsequently piloted in real conditions, in a particular region within a given period of time. The paper discusses the problems related to legal experiments dealing with ecological law and digitalization processes.

### **ZAYKOV, Denis Yevgenievich**

Candidate of legal sciences  
Associate Professor  
Associate Professor  
Department of theory of law, civil law and civil procedure  
Law Institute of the Russian University of Transportation

#### **Prohibition of legal representation persons whose lawyer status has been terminated**

**Keywords:** Advocate; judicial representation; termination of status of advocate; prohibition; qualified legal assistance

The advocate's legal status has its specific characteristics, and in case the status is terminated an advocate is prohibited from carrying out legal representation. The author discusses the implications of this situation for the exercise of the right to qualified legal assistance guaranteed by the constitution.

### **ZHUK, Oleg Dmitrievich**

Doctor of legal sciences  
Full professor  
Director of Scientific and Educational Center for Combating Organized Crime and Corruption  
Lomonosov Moscow State University Law School  
Russian Academy of Natural Sciences  
Academician  
Honorary worker of Public Prosecution Office of the Russian Federation

#### **On some problems of enforcement of anti-corruption legislation against civil servants**

**Keywords:** Anti-corruption; civil service; municipal service; register of civil servants dismissed due to loss of confidence; prosecution; law enforcement; bribery

The paper analyzes the problems of enforcement of anti-corruption legislation against state officials who were suspended from the service and dismissed (removed from the office) due to loss of confidence for failure to comply with restrictions and prohibitions.
